

June 30, 2017

Dear Parents,

We hope your summer is off to a great start. Your child's 2017-2018 BMS schedule of classes (without teacher or periods) has been posted to Genesis. Please be advised that counselors will be available in August to answer any questions or concerns you may have. Schedule changes will only be made for a true conflict (missing course, inaccurate course, etc.).

In order to view your child's schedule please follow these steps:

1. Log into the Parent Portal in Genesis.
2. Click the "Scheduling" tab.
3. You have access to a "View Only" list of your child's courses for the 2017-2018 school year.

Beginning in mid - July all information in the Parent Portal will be updated to reflect the 2017-2018 school year. At that time, you can view your child's courses (without teacher or periods) on the main screen.

A school messenger will be sent in August with counselors schedules should you need to contact them. In addition, please go to our BMS website to view grade level student supply lists for the 2017-2018 school year.

Sincerely,

  
Dr. Natalie Betz
